

The music schedule for Lent has been revised. I have designated any changes with bold print. Please discard the previous 2012 Lenten music schedule and replace it with this one.

Notes for Lent: **Kyrie—During Lent, we will sing the entire “Kyrie” from *Mass of Renewal* and it will immediately follow the opening prayer. Also, remember that there is no “Gloria” during Lent. When Father Geoff is presiding, he will sing the cantor parts, (“You were sent to heal the contrite of heart,” etc.) If another priest is presiding, then the cantor must be prepared to sing the cantor parts throughout the “Kyrie”.**

Psalmist—Please wait about 20 seconds once the lector has sat down before proceeding to the ambo for the Psalm.

Communion—Please maintain silence at the beginning of communion. Musicians can receive communion first and then sing the communion hymn after receiving communion.

Mystery of Faith—After the introduction, cut straight to the final “Save us Savior of the world” and go to the final ending (no repeat).

Tempos—Mass parts from *Mass of Renewal* should be slower (and more somber) than they were during Christmas and Ordinary Time (specifically the Kyrie, Sanctus and Mystery of Faith).

Harmonies—Please eliminate harmonies and sing unison during the *Mass of Renewal* Mass parts.

Silence—Silence should be observed before Mass, at the beginning of communion and after communion. There should be no prelude music during Lent.

Thank you for your dedication,

Jeanne Anne
